Another Testament

“Dad?” Auggie was carrying a copy of the Book of Mormon. “The cover of the Book of Mormon says ‘Another Testament of Jesus Christ.’ What does that mean?”

“Well, Bud, it says ‘another’ what other books talk about Jesus?” Dad asked.

“Oh, uh, the Bible!” Auggie guessed.

“Right! The Bible testifies of Jesus’s work here on the earth. Testifies means to witness or give proof,” Dad explained. “So tell me, does the Book of Mormon give proof of Jesus here on the earth?”

“Yeah it does!” Auggie remembered. “Samuel the Lamanite told the Nephites that Jesus would be born. I like that story. And then Jesus visits the Nephites after he died.”

“Right! The Book of Mormon isn’t just some book that talks about a bunch of really old guys. If you truly read the Book of Mormon, you will see just how much the prophets talk about their faith Jesus Christ. And like you said, it also has a section where it talks about Jesus visiting the Nephites! The Book of Mormon, is another testament of Jesus Christ. Just like the Bible is.”

“That’s really cool!” Auggie smiled. “I’ll read it and see how much it talks about Jesus.”

“I think the whole family will do the same.” Dad said as he hugged his son.
